

天钢建设有限公司

sky steel construction Co.,ltd

—自主研发、生产、销售一体化

Integration of independent R & D,
production and sales

企业简介 Company Profile

天钢建业有限公司创立于2006年，是一家以自主设计、自主研发、生产和销售为一体的民营公司，业务领域涉及：镀锌板卷、彩涂板卷、网纹板卷、印花板卷、压花板卷、彩钢瓦等产品；是国内具有影响力的热镀铝锌硅钢板、彩涂板、印花板生产销售企业之一。位置优越便捷。公司现有员工300余人，拥有国内先进的热镀铝锌硅钢板生产线2条，年生产90万吨；彩涂生产线3条，年生产24万吨，印花生产线一条，年生产1万吨。是一家集镀锌板、彩涂板、印花板生产销售于一体的新型现代化公司。

天钢建业有限公司成立以来得到各级政府的大力支持，经过短时间的的发展，目前形成了以镀锌板、彩板、印花板生产销售为一体的产业链布局。相对于同行业生产设备更加先进，配套设施更

加齐全，产品种类多成本低，质量可靠。经过几年发展，业务拓展迅速，在国内建立了广阔的网络，为国内客户提供专业优质服务。通过进一步整合销售渠道，确定主攻市场，完善销售体系，坚持诚信化经营，加强与客户的长期战略合作，产品销售遍布全国各地。公司引进的镀锌钢板生产线，采用国际先进的生产技术，以轧钢带为基板，生产出的镀锌板质量高、性能好、耐腐蚀性强。彩涂生产线能生产各种规格、型号、颜色的彩色涂层钢板。产品广泛应用于建筑、家电、汽车、交通等多个领域。印花生产线能生产各种花色的印花板，产品广泛应用于家电、家具、门窗、标牌及室内外装修等多个领域。天钢建业有限公司以让客户放心、省心为己任，视产品品质为生命，全力打造让客户放心满意的产品。以“创永恒品质，立久远信誉”作为企业核心价值观，追求企业与客户、员工及社会的共，在机遇与挑战中不断的创新与发展，向着更高、更远、更强的目标迈进。

Sky steel Construction Industry Co., Ltd. was founded in 2006, is a private company to independent design, independent research and development, production and sales as one of the business areas: galvanized sheet coil, color coated sheet coil, mesh sheet coil, printed sheet coil, embossed sheet coil, color steel tile products; Is the domestic influential hot dip aluminum zinc silicon steel plate, caitu —, printing plate production and sales enterprises. It is conveniently located. The company has more than 300 employees, with domestic advanced hot aluminum plating zinc silicon steel plate production line 2, the annual production of 900,000 tons; Three color painting production lines with an annual production of 240,000 tons and one printing production line with an annual production of 10,000 tons. Is a collection of galvanized sheet, color coated board, printing board production and sales in one of the new modern company.

Sky steel Construction Co., Ltd. has been strongly supported by governments at all levels since its establishment. After a short period of development, it has formed an industrial chain layout integrating the production and sales of galvanized plate, color plate and printed plate. Relative to the same industry production equipment is more advanced, with more facilitiesPlus complete, product variety, low cost, reliable quality. After several years of development, the business has expanded rapidly, established a broad network in China, to provide domestic customers with professional quality services. Through further integration of sales channels, determine the main market, improve the sales system, adhere to the integrity of management, strengthen long-term strategic cooperation with customers, product sales throughout the country. The galvanized steel production line introduced by the company adopts the international advanced production technology and takes the rolled steel strip as the base plate. The galvanized steel sheet produced by the company has high quality, good performance and strong corrosion resistance. Color coating production line can produce a variety of specifications, models, color coated steel plate. Products are widely used in construction, home appliances, automobiles, transportation and other fields. Printing production line can produce a variety of color printing board, products are widely used in household appliances, furniture, doors and Windows, signs and indoor and outdoor decoration and other fields. Tiansteel Construction Co., Ltd. to let customers rest assured, worry as its own duty, product quality as life, to create to let customers rest assured and satisfied products. With "create eternal quality, establish long-term reputation" as the core values of the enterprise, the pursuit of enterprise and customers, employees and the community, in the opportunities and challenges of continuous innovation and development, toward a higher, further, stronger goal.
